Bueno saber

Is 5 days enough to climb Kilimanjaro?
It is the minimum, and many people do reach the top. But your body has very little time to adjust to the altitude, so the success rate is lower. If you can spare one more day, choose Marangu Route 6 Days.

Do I need a sleeping bag in the huts?
Yes. The huts have bunk beds with mattresses and pillows, but you bring your own warm sleeping bag. You can rent one in Moshi — tell us when you book.
