Vizuri kujua

Is the Barranco Wall dangerous?
It looks dramatic from below, but it is a scramble on a good path where you sometimes use your hands. No ropes are needed and your guides help you at every step. Most climbers say it is the highlight of the route.

Can I take the Western Breach instead?
The Western Breach and Arrow Glacier route to the summit is available on request for experienced climbers. Ask us and we will tell you honestly if it suits you.
